MED PROJECT & ENGINEERING Co.

MED PROJE ve MÜHENDİSLİK Ltd. Şti.

MED PROJE ve MÜHENDİSLİK Ltd. Şti.

12 Temmuz 2012 tarihinde kurulan firmamızın amacı, taahhüt firmalarına, mimari ve inşaat proje firmalarına veya direk yatırımcılara ulusal ve uluslararası ölçekte mekanik proje ve teknik müşavirlik hizmeti sunmaktır.

CAD destekli MEP tasarım ekibi işin projelendirilmesinde en yüksek kalite ve verimin sağlanması için kabul edilmiş ulusal ve uluslararası standartlar ve vasıflara uygun hizmet verir. Çalışma ve yaşama ortamlarında çok önemli olan güvenlik ve konforu sağlayabilmek için gerekli tüm mekanik donanımı her türlü özel ihtiyaç da göz önüne alınarak titizlikle projelendirilir.

MED PROJECT & ENGINEERING Co.

Aim of the company established in 12 July 2012, is maintaining mechanical design and technical consultancy services on national and international scale to a wide variety of sectoral foundings such as contracting firms, architectural design firms or just to the direct entrepreneurs.

MEP design team utilizing CAD softwares supplies a high quality design service according to approved national and international standards and norms in order to achieve the highest quality and maximum efficiency. Every mechanical system and related mechanical equipments that maintains safe and comfortable working and living environments are designed carefully and satisfactorily.
